

Tri-Cities Horsemen in the Martinez 4th of July Parade!

Preparations are now underway for the JULY 4th 2019 PARADE in downtown MARTINEZ and I'm delighted to announce that Tri-Cities Horsemen's Association has been given the honor of LEADING the parade!

It has been many years since the parade has had mounted participants and we look forward to creating quite a stir, as well as introducing ourselves to the community of Martinez.

The Parade will start at 10am at Court/Main Street and is not long, but always very well attended with around 40 entries. It is judged and we hope to have a 'stick pony drill team' (volunteers needed) to perform in front of the main stand. Our staging area will be at our own Waterfront Arena and we will be escorted in and out by Martinez Police.

We are seeking riders, walkers and helpers of all ages, as well as holders for our brand new Parade Banner and volunteers for that most glamorous of jobs, 'Official Parade Pooper Scoopers'. (OPPS always seem to get the biggest cheer from the crowd!). We will also have 'floats' to decorate (at the July club meeting, the night before) and are looking for any items to do that (streamers, bunting, flags, large toy horses etc.).

Thank you to all who have already expressed an interest (duly noted!).
Comments, suggestions, questions most welcome!
