

Tri-Cities Horsemen

Martinez Arena Rebuild

We, Tri-Cities Horsemen’s Association, are seeking help with the rebuilding of the Martinez Equestrian Arena.

Our mission is to provide the continuation and preservation of an equestrian arena at the Radke-Martinez Regional Shoreline Park. The organization that managed this arena for many years disbanded in 2017. The arena was the only public arena in the area and provided a location for local equestrians to participate in horse shows, clinics, playdays, etc.

Tri-Cities Horsemen’s Association has partnered with EBRPD to keep the arena going! If this arena had been allowed to close, we would not have gotten it back and another equestrian facility would have been lost.

By ensuring the continuation of the public arena, local equestrians will have a place to ride, train and compete in activities in the future. The general public will be exposed

to horses, many of whom have never seen or touched an actual horse. We will be ambassadors for the equestrians and their horses!

This is where your help comes in! With donations from the public and our club funds we have purchased new arena fencing and rebuilt the arena. However we have not yet recouped all the expense. In addition there are more improvements that need made to the arena grounds. We cannot do this alone and are asking for the public’s continued support.

You can “Buy a Panel” on which we will mount an engraved sponsor plate. Consider sponsoring in memory of a loved one or horse. We also have levels of donors but no amount is too small!

Contra Costa Equestrian Foundation, a public charity, is accepting tax deductible donations for our cause. Please complete the attached donation form or you can make an on-line donation with your credit card at our website at:

<https://tri-citieshorsemen.org/arena/ccefdonation-info.html>

All donors will receive a donor letter from **Contra Costa Equestrian Foundation** for your tax-deductible donation and be published on our donor list!
