

TCHA Trails Participation Program

A program to encourage participation in club trail riding activities

The program runs from Oct. 1 to Sept. 31 of each year with awards given out at the Dec. club dinner. Members may sign up any time within the program year by paying a \$10 program fee. Members will be credited for any points earned within the last 30 days from fee payment.

Members earn points for attendance at TCHA club functions:

- A. 1 point earned for attendance at any club activity that is non-trail specific, maximum 15 points (ex. monthly club meetings, TCHA gymkhanas, Obstacle Challenge, etc.)
- B. 3 points earned for club trail activities (monthly club trail rides & club camping trips)
- C. 3 points earned for Bombproof Play Day volunteer activities (obstacle build day, set up day, event day, etc.)
- D. 3 points earned for serving on or chairing a trail related committee or post (Bombproof Play Day Committee, Trails Participation Program Chair, & Trails Club Chair)

Awards:

At year end all club activities will be assigned points per the above criteria and totaled

Members do not compete against one another, but receive awards based on participation:

- Gold Award: At least 80% of total
- Silver Award: At least 60% of total
- Bronze Award: At least 40% of total
- Copper Award: At least 10% of total
(All awards above must have at least 3 points from C. above)
- Supporter Award: No requirement

Awards will have a minimum value of \$10, increasing in amount depending on the number of qualifying participants at each level and funds available.

Fundraising:

The TCHA Bombproof Play Day (or other designated annual Trails fundraiser) is the sole fundraiser for the awards program.

The trails awards program will receive 50% of the net income from the fundraiser, and retain no more than 20% of that for the following year. All participation fees will go directly to the awards budget for that year.
